Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Monday 31 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Low cloud and mist spreading inland overnight. Fine, sunny Tuesday.

This Evening and Tonight:
Dry and clear for most overnight. North Sea low cloud and mist will spread inland into some eastern coastal counties, however, leading to a misty and dull start to Tuesday for some. Feeling cool, particularly in rural spots. Minimum temperature 7 deg C (45 deg F).

Tuesday:
Largely fine and sunny, with early low cloud and mist soon burning away. Feeling warm for most, but a little cooler along the coast with a light onshore breeze. Maximum temperature 25 deg C (77 deg F).

Outlook for Wednesday to Friday:
Fine and dry Wednesday with sunny spells, but breezier. A weakening band of rain and showers moves northeastwards during Thursday. Mostly dry on Friday, with the chance of some showers.
